#####

Our portion of the easement that runs along the east side of Desert Meadows has been cleared of weeds and grass. Please remember, there is NO DUMPING of yard debris or anything else back there. Also, parking is forbidden in this easement.

Please take some time this month to make sure that your streetlight is functioning.

THANK YOU for doing your part to keep our neighborhood safe and attractive.

UPDATE: Still working on the water leak issue.

Irrigation is now turned off; sprinkler blowouts will take place on October 6th. Please have your irrigation boxes accessible to the landscaper. Thank you.

.....
Your meter readers would greatly appreciate each resident taking a moment to check that your water meter is accessible and clear of debris, bushes trimmed, etc. Thank you.

We are sorry to note the passing of long time Desert Meadows resident, Jim Lowe. May he rest in peace.
